

CLEVER TECHNOLOGY

For your home and the environment

You significantly contribute to environmental protection with SYNEGO windows.

and completely sustainable.
We take back windows for recycling, refine them and then reintroduce them to the production process.

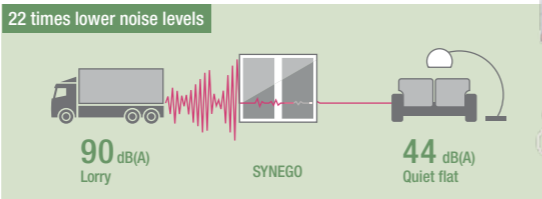

Technical data			
		Rebate gasket	Central gasket
Thermal insulation profile		U _f up to 1.0 W/m ² K	U _f up to 0.94 W/m ² K
Thermal insulation window	Glass (U _g value)	Total insulation value window (U _w value)	
	0.8 W/m ² K	0.94 W/m ² K	0.92 W/m ² K
	0.7 W/m ² K	0.87 W/m ² K	0.86 W/m ² K
	0.6 W/m ² K	0.81 W/m ² K	0.79 W/m ² K
	0.5 W/m ² K	0.74 W/m ² K	0.72 W/m ² K
	0.4 W/m ² K	0.67 W/m ² K	0.66 W/m ² K
Noise insulation	up to R _{w,p} up to 46 dB		
Break-in protection	up to RC3		

PEACE AND QUIET

With SYNEGO, you keep the noise out

You are surrounded by noise on a daily basis. With SYNEGO, you can shut the noise out and make your home an oasis of peace and quiet.

My home...

SYNEGO WINDOWS
Feel warm to feel good

LOW HEATING COSTS

Save on energy, not on your windows

Compared to current standard windows, thermal insulation is **up to 50% higher thanks to SYNEGO windows**. This saves heating costs!

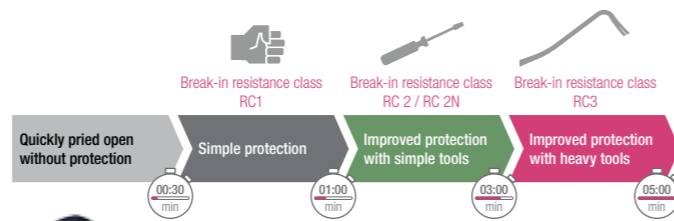

Calculation: Window surface of 25 m², heating oil consumption in 25 years; wooden windows with U value = 2.79 W/m²K, conventional windows with U value = 1.36 W/m²K; SYNEGO with U value = 0.66 W/m²K

HIGH LEVEL OF SAFETY

Feel safe and sound with SYNEGO

Your home will be safer with SYNEGO.

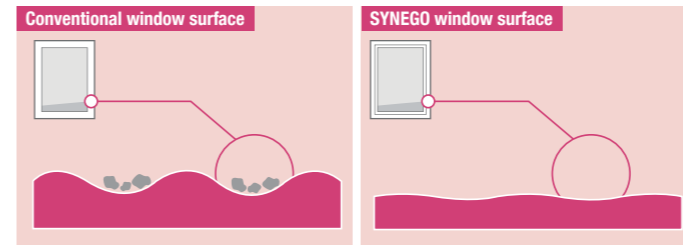

Up to 10 times better protected against burglaries.

80 % of all break-ins take place through easily accessible windows and doors. Protect your home – with SYNEGO up to the highest resistance class RC 3.

CLEANING IS CHILD'S PLAY

Easy-to-clean thanks to the revolutionary HDF formula.

The SYNEGO window surface with HDF technology creates considerably smoother surfaces to which it is difficult for dirt to adhere.

Brilliantly clean.

The High Definition Finishing (HDF) seals the surface and ensures brilliance. Your windows will remain clean for longer and are easier to clean.

COLOURFUL DIVERSITY

Choose your perfect windows

Realize your own ideas with SYNEGO: radiant white, warm wooden decorative designs with textures surfaces or trendy solid colours.

Square, round and coloured?

Choose from more than 220 colours. You can choose the decorative design separately for the inside and outside. In addition to this, SYNEGO is available in many different shapes.

Colour selection.
